Jelinek Appointed to Council of State Governments *Senator will represent Michigan on the Suggested State Legislation Committee*

LANSING- Senator Ron Jelinek, R-Three Oaks, today announced he has been appointed by Senate Majority Leader Ken Sikkema, R-Wyoming, to serve on the Council of State Governments (CSG) Committee on Suggested Legislation.

The Council of State Governments provides state legislators with the tools they need to be successful by holding task force and committee meetings, leadership training and access to new ideas and information. CSG is broken up by region to better serve state leaders and their constituents.

“I am looking forward to serving on the CSG Committee on Suggested Legislation so that I may have the opportunity to share ideas with other states in our region to address some of today’s most important public policy changes,” Jelinek stated.
